

Table 1: Class 4 Alternative Management Strategies (5/3/2016 draft for EQC)

Park	Immediate Strategy	Future Strategy	Signs	Operational Considerations
Ackley Lake	Open for shorter season <ul style="list-style-type: none"> May to November 	Turn back to DNRC		Distance from manager: 89 Miles Work with DNRC and community to discuss next year.
Anaconda Smoke Stack	Shift responsibilities to ranger	Review agreement for liability Partner to manage: <ul style="list-style-type: none"> Chamber of Commerce Save the Stack Committee 	Remove kiosk? Reduce hwy/directional	Distance from manager: 64 miles Contract for custodial and weeds Conversations with Anaconda on alternatives
Beaverhead Rock	Land trade BLM-Bannack Minimum maintenance covered by region as drive by	Same strategy as Anaconda Stack		Distance from manager: 40 miles Contract for custodial and weeds Discuss with Beaverhead county and stakeholders
Clark's Lookout	Shorten season Lock toilet/gate Remove iron ranger	Partner with local service organization Remove latrine	Remove kiosk? Reduce hwy/directional	Distance from manager: 27 miles Contract for custodial and weeds \$512 revenue FY15
Council Grove	Close gate in winter <ul style="list-style-type: none"> When snow is impassable Reduce services	Partner to manage/turn over <ul style="list-style-type: none"> Salish County Non-profit, University 	Remove kiosk? Reduce Hwy/directional	Contract for custodial and weeds
Elkhorn	Reduce accessibility to reduce vandalism.	Partner with non-profit	Remove kiosk?	Distance from manager: 47 miles Contract for custodial and weeds
Fort Owen	Open for shorter season Discourage use Remove iron ranger	Potential to expand land base	Reduce hwy/directional	Distance from manager: 18 miles Contract for custodial and weeds
Granite	Shift responsibilities to ranger	Partner to manage: <ul style="list-style-type: none"> Philipsburg 	Reduce hwy/directional	Distance from manager: 85 miles Contract for custodial and weeds
Lost Creek	Shift responsibilities to ranger	Manage by concessionaire Turn back to USFS		Distance from manager: 71 miles Contract for custodial and weeds
Marias River		Trade with wildlife	Reduce hwy/directional	Contract for custodial and weeds
Painted Rocks	Consider alternative mix of coverage for staff	Turn back to DNRC		Distance from manager: 81 miles Work with DNRC and community to discuss next year.
Pirogue Island	Shorten season <ul style="list-style-type: none"> Memorial Day to Labor Day Gate off-season Remove iron ranger	Remove latrine	Reduce hwy/directional Remove kiosk? Remove interpretation at end of useful life	Distance from manager: 76 miles Contract for custodial and weeds \$8.01 revenue FY15
Prairie Dog Town	Gate off-season Remove iron ranger	Walk-in access (LWCF)	Remove kiosk? Reduce hwy/directional	Distance from manager: 54 miles Contract for custodial and weeds \$1,548 revenue FY15
Tower Rock	Close latrine off-season Remove iron ranger	Remove latrine	Reduce hwy/directional Remove kiosk? Remove interpretation at end of useful life	Contract for custodial and weeds \$212 revenue FY15
Yellowstone River		Trade with wildlife	Reduce hwy/directional	Contract for custodial and weeds

Table 2: Reallocation of FTE from Phase One of Classification Policy Implementation Process (5/3/2016 draft for EQC)

FTE Moved To:	FTE Moved From:	FTE	Hours	Position
Flathead Lake State Park	Ackley Lake/ Clark's Lookout	0.24	499.2	Groundskeeper ¹
	Clark's Lookout	0.21	436.8	Administrative Asst. - Ranger Station Attendant ¹
Lewis and Clark Caverns	Anaconda Stack/ Granite	0.05	104	Park Manger 1 - asst. mgr ²
	Ackley Lake	0.2	416	Maintenance Worker ²
Bannack	Beaverhead Rock/ Clark's Lookout	0.15	312	Park Manager 2 ²
	Beaverhead Rock/ Clark's Lookout	0.05	104	Park Manager 1 ²
Makoshika	Pirogue Island	0.05	104	Park Manager 2 ²
	Pirogue Island	0.05	104	Maintenance Worker ²
Travelers' Rest ³	Fort Owen/ Painted Rocks	0.25	312	Park Manager 1 ²
	Fort Owen / Painted Rocks	0.05	208	Park Ranger ²
	Council Grove	0.18	374.4	Park Ranger ³
Cooney ³	Greycliff Prairie Dog Town	0.05	1976	Park Manager 2 ²
Lake Elmo ⁴	Yellowstone River	0.05	104	Park Manager 1 ²
Totals		1.58	3286.4	

1. New position for park
2. Increased coverage through current position in park
3. FTE attached to full-time permanent staff has remained with that staff during this process while redirecting those efforts to parks in Class 1.
4. Lake Elmo is a Class 3 park, staffing at Lake Elmo (including that listed here) will be addressed during a later phase of the Classification Policy Implementation process and may be redirected based upon those efforts.
